

**COMPLETE DISINFECTANT PROTECTION SERVICES  
WITH SCIENTIFICALLY-PROVEN RESULTS**

## **SANITIZING SOLUTIONS FOR BUSINESSES**

In just a matter of minutes, GlanHealth's on-site application can provide up to 28 days of protection through a touchless application that reduces cross-contamination.

Our disinfectant solution delivers a three-way germ-killing process that creates a nano-protective barrier.

💧 *Neutralizes 99.99% of harmful bacteria and viruses*

💧 *Alcohol, chlorine, and bleach-free formula*

💧 *Environmentally safe and friendly*

💧 *Non-flammable, non-irritating, and non-corrosive*

💧 *Long-lasting protection: up to 28 days*

💧 *Effectively adheres to all surfaces*

***We come to you!***

**On site business and commercial pricing for complete disinfecting services are available starting at \$100 per month.**
